Evidence & report limits

Reading the report

Structure	Each property has three pages: screen, evidence, and terms/costs/checks.
Supporting detail	Supporting findings, calculations and source notes are included in this report.
Important findings	Material restrictions remain visible beside the finding.

Evidence labels

Labels	Findings are labelled as verified document, corroborated fact, estimate or unknown.
Sources	Source IDs identify supporting records and their dates.
Legal effect	A verified document does not establish legal clearance.

Court & procedure

Procedure	[To complete]
Sale type	Judicial, sheriff and co-op sales require their own controlling terms.

Value & costs

Assumptions	Condition, working area and possession assumptions must be stated.
Investor decisions	The investor chooses price, financing, duration and plan.
Advice	The report does not provide a maximum bid or investment recommendation.

Important notice

Purpose	This report is informational research, not an appraisal, inspection, title opinion or legal advice.
Records	Public records may be incomplete or outdated.
Verification	Verify material facts with qualified local professionals before committing.

Property-specific limits

Images	Historical imagery does not establish current condition, occupancy or lawful area.
Sale changes	Bankruptcy, cancellation or postponement may prevent a sale.
Unknowns	Title clearance, current payoff and vacant delivery require separate evidence.
